### DIGITAL SPACE CONSENT FORM

Dear Parents/Guardians,

In today's interconnected world, digital communication plays a vital role in keeping our school community informed and engaged. With this in mind, we're delighted to announce that we'll be expanding our digital space to include platforms such as our school website, Facebook page, and Instagram account.

Through these digital platforms, we aim to provide glimpses into the daily life at Laerskool Eben Swemmer, showcasing the achievements, activities, and events that make our school community special. From learner projects and classroom activities to important announcements and upcoming events, our digital space will serve as a window into the vibrant happenings within Laerskool Eben Swemmer.

We would like to request for your consent in order for your child to be featured in the school's digital space.

Please fill in the tear-off slip and send back to the school.
